RE: PARENT SURVEY DECEMBER 2018

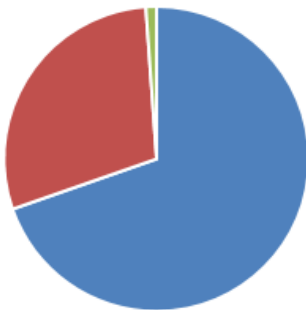

Friday 1st February 2019

Dear Parents and Carers,

I am writing to share the results of the Parent Survey that so many of you took the time to complete during the most recent Academic Review Events held just before Christmas. Such feedback is vital in supporting our journey to becoming the school of choice for the community, the school where students have a better chance of success than if they attended any other school in the country. Your written comments of support were gratefully received by our staff and your recommendations have been fully acknowledged. We have already taken steps toward increasing student awareness of post-16 opportunities and I am currently liaising with colleagues to develop this further.

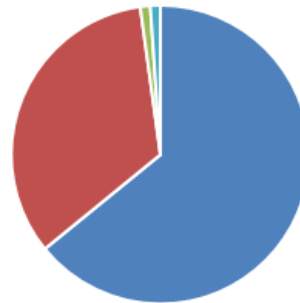

We are delighted by the overwhelmingly positive outcome of the survey and I thank you for your continued contribution to and support of our exciting journey.
