

HENLEY BANK HIGH SCHOOL

19th September 2023

Dear Parent/Carer

At Henley Bank we recognise the importance and value of PSHE, providing our young people within our school community the opportunity to learn and discuss a range of topics in a well informed and supportive environment. The topics being studied in Year 8 are:

- **Sexuality/gender:** Students will explore the difference between sexuality and gender and how different individuals choose to identify and why.
- **Risk taking behaviour:** Students will understand what this looks like, how to prevent it and what support is available for risk taking behaviour.
- **Digital Awareness:** Students will know how to be safe when online, the impact of being online and what a digital footprint is.

If you have any questions about the PSHE curriculum or any of the content covered please find our Sex and Relationships policy on the school website or alternatively please send any questions for my attention to admin@henleybankhighschool.co.uk

Yours faithfully

Mrs H Benfield
Assistant Headteacher
