

HENLEY BANK HIGH SCHOOL

19th September 2023

Dear Parent/Carer

At Henley Bank we recognise the importance and value of PSHE, providing our young people within our school community the opportunity to learn and discuss a range of topics in a well informed and supportive environment. The topics being studied in Year 9 are:

- **Beliefs:** Students will look at the factors that influence our identities such religion, ethnicity and culture.
- **Sexual relationships:** Students will understand what a healthy romantic relationship looks like and what strategies and support are available to support with unhealthy relationships.
- **Sexual health:** Students will learn how to keep themselves safe when sexually active, what can be used to keep themselves safe and agencies available to support.

If you have any questions about the PSHE curriculum or any of the content covered please find our Sex and Relationships policy on the school website or alternatively please send any questions for my attention to admin@henleybankhighschool.co.uk

Kind Regards

Mrs H Benfield
Assistant Headteacher
