

# HENLEY BANK HIGH SCHOOL

---

14<sup>th</sup> November 2023

Dear Parent/Carer

Following the huge success of the last few year's campaign, we will be relaunching the Henley Bank Food Bank Appeal.

Between now and breaking up for the Christmas holidays we will be supporting the local Food Banks and collecting items to help those most in need. A crate will be housed outside reception for staff and students to drop off any items they wish to donate, plus students can also leave the items in their roll call area. There is zero pressure for anyone to donate anything as we are aware that the last few years have been challenging for many but as a school we really wanted to continue to support others and educate our students on the importance of this.

Items that we are looking to be donated are listed below and need to be in fully sealed packages and in date:

- Jars of Coffee
- Tinned Tomatoes
- Tinned Ready Meals
- Tinned Soup
- Tinned Fruit
- Tinned Rice Pudding
- Pasta Sauce Jars
- Bars of Soap
- Toothpaste
- Shampoo
- Shower Gel

If you would like to get involved but prefer to donate money rather than items, a 'Food Bank' item has been added to Online Payments on MCAS this will be listed under the product category which allows you to donate money which will then buy food for the Food Bank. We will be collecting all donations up to Tuesday 12<sup>th</sup> December 2023.

Thank you for your ongoing support of Henley Bank High School and ensuring that our students leave as well-rounded individuals, ready for the future.

Yours faithfully

Mr S Derry  
**Headteacher**
