

# HENLEY BANK HIGH SCHOOL

---

19<sup>th</sup> December 2023

## Careers Week

Dear Parents and Carers

As part of our Careers commitment, we will be hosting a Careers Week at Henley Bank High School from Monday 15<sup>th</sup>-Friday 19<sup>th</sup> January. This will be in place of Work Experience as this will give all students a wider understanding of the world of work.

Students will be expected to be in school for normal time every day. Every student will have at least one trip that will take place during the school day organised either by the school or by GROWS.

In the New Year, each student will receive a timetable with the group they are in which will give details of the trip and activities that they will be taking part in during the week. Here is an example of some of the trips we have planned:

- Barnwood Construction
- Suntori- the manufacturers of Ribena
- Gloucester Rugby
- Music Makers
- Bristol University
- Everyman Theatre
- McLaren
- Ontic Engineering

We will also have the Military, NHS and specialists in CV planning and building coming to work with us.

Students will be expected to be in uniform and the canteen will be open as normal. If your child has a trip, we will need them to bring a packed lunch. Any students with Free School Meals will have lunches provided for them.

On the Friday, we will end the week with our World of Work Fair. Parents and carers are also invited to attend this after school from 3pm-5pm.

Please note that due to logistics and planning purposes, groups cannot be changed. We have done our best to ensure that all students get as varied an experience as possible and linked subjects they are studying or industries they have noted they are interested in during Careers Interviews.

We look forward to sharing the details on the first week back.

Yours faithfully

Mr J Watson

**Assistant Head- Careers Lead**

AMBITION • CONFIDENCE • CREATIVITY • RESPECT • DETERMINATION
