Re: Year 7 mid-year assessments

Dear Parents and Carers,

As we approach the middle of the academic year, our Year 7 students are working hard in preparation for their mid-year assessments. These assessments will take place in class and will be based on the curriculum the students have covered this academic year. The assessments will take place in all subjects except for PSHE and PE.

The purpose of these assessments is to support teachers, students, parents and carers in understanding where students are in each of their subjects and how to continue to improve. The assessments will also help us inform class sets in English, mathematics, science and languages.

All students have been given knowledge organisers and quiz booklets which cover the key subject content that they will be assessed on and are a fantastic tool in supporting students to revise. Students have been taught the best revision strategies in their weekly DEEP sessions and they should be revising by self-quizzing, either using their quiz book or by making flashcards of the key information. Ms Bowers has produced this helpful video which summarises the best ways for students to revise.

If students misplace their copy of the knowledge organisers or quiz book, they will be able to ask their tutor for a new one.

The dates for the assessments can be found in the table on the back of this letter. The majority of assessments will run between Monday 22nd January and Friday 9th February. In some subjects the assessment will be based on project work that students have been completing in their lessons.

Many thanks for your continued support.

Yours faithfully
