

27th January 2025

Dear Parents and Carers of Year 11 students,

I am writing about the upcoming Pre-Public Examinations which start on Monday 24th of February. These are the last set of exams that Year 11 will sit before they have their real GCSE exams in May and June. I have emailed the Timetable to students' school email addresses and you can also find a link to it [here](#).

These are an incredibly important set of exams which will help us determine what sort of support each student needs in the run up to the real exams. Students need to prepare for them just like they would the real exams.

To help them do this we will provide students with a Subject Overview Booklet, which will also be emailed to their school email address. In this booklet is the PPE timetable, along with a page of information from each subject on the best ways to prepare for that exam.

We also strongly encourage students to prepare for the exams by looking after their personal wellbeing: eating well, sleeping well, exercising regularly and managing their time so that there is a balance between revision and doing the things they enjoy.

If you have any questions please don't hesitate to get in touch.

Yours sincerely,

Mr Watson

Assistant Headteacher - Raising Standards Lead
