

3rd February 2025

Dear Parents and Carers,

We are excited to inform you that in the week commencing 7th July 2025, we will be organizing a series of opportunities for Year 12 as part of the whole school Legacy Week.

This will include:

- An overnight stay in London experiencing university accommodation
- An evening activity in the capital
- Travel to and from London
- Visits to galleries, museums (and hopefully the Houses of Parliament!)
- A day trip to the Brecon Beacons including an accessible walk
- Activities in school

These experiences aim to provide students with valuable opportunities outside the classroom, focused on social, political and cultural education.

During the trip, students will visit central London and we will make sure we see the most important sights! We will also be visiting several museums, offering opportunities to engage with important historical, scientific, and artistic collections. Additionally, we aim to arrange an exciting evening activity, more information will follow!

We believe this trip will not only provide valuable educational experiences but also offer the students a chance to build lasting memories outside of the classroom and we are excited to be able to run this for the entire cohort.

In order for us to provide these experiences to our students we are asking for a voluntary contribution of £100.00 per student. This can be paid through the MCAS app in the Trips section. Instalments of your choice can be made at any time between now and 30<sup>th</sup> June 2025.
