

4<sup>th</sup> February 2025

Dear Parent/Carer,

I am writing to you to inform you about an excellent opportunity we have arranged for our students in Year 12.

On Wednesday 12th February they will be visiting a university in Bristol. The trip will take part during the school day, so no new travel arrangements will need to be made.

If students study STEM subjects, they will be visiting the engineering school at the University of West England. We are incredibly lucky to be offered a personalised tour and visit to this successful part of the university.

If students study arts or the humanities, they will be visiting the University of Bristol liberal arts department. This will include a tour and a taster session. It should be a fantastic opportunity for students to explore a top university.

Students will be informed about their groups on the day by Mr Derbyshire.

Students will need to report at school on time as usual. Dress code for the day is school uniform and students will need to bring a packed lunch. If students receive free school meals and would like to pre-order a lunch from the canteen, then they should email Ms Thomas ([sthomas@henleybankhighschool.co.uk](mailto:sthomas@henleybankhighschool.co.uk)) by the end of Monday 10th February.

If you have any questions, please do not hesitate to contact us.

Yours sincerely,

Mr F Derbyshire  
Assistant Headteacher, Head of Sixth Form

Stephen Derry, Headteacher
