

How to complete KS4 English homework

English – Year 10 & 11

Overview

In KS4, English revision tasks are predominantly set through Seneca, with the average length of task being approximately 1 hour.

Year 10 homework tasks are set Tuesday morning, and due at 7am the following Tuesday (make sure it is completely before you go to sleep on the Monday night!)

Year 11 revision tasks are set from 8am Thursday morning, and due at 7am the following Thursday (make sure it is completely before you go to sleep on the Wednesday night!)

Each task consists of sub-tasks and all of these must be completed to 80% correct or more. Tasks can be repeated as many times as necessary to achieve 80%.

How to access and complete the homework

The simplest way to log into Seneca is **to log into the student's school Google account**. There is a Seneca button on the homepage which logs students in automatically.

Students can also visit <https://senecalearning.com/en-GB/> and log in using their **school email address** and password which they chose during their Seneca induction lesson. If students have forgotten their password they can also click 'forgot my password' and a password reset email will be sent to their school email so it can then be reset.

Students can also click the link sent to their school email every week or on their Google Classrooms account.

Parents can also set up a parent account and link it to a student account to monitor their progress. To do this visit: <https://senecalearning.com/en-GB/parents>

There may be occasions when we use resources other than Seneca as revision tasks.

Consequently, rather than relying on Seneca, it is advisable for students to simply check their own relevant Google Classroom each week, where all revision tasks will be set and updated, along with any other relevant communication from the teacher.

For access, go to <https://edu.google.com/workspace-for-education/classroom/>

What to do if a student forgets their login?

If a student forgets their login information there are two ways in which they can get it:

1. Their login details and passwords are displayed in their Roll Call areas in school so they can write this down.
2. Email: jecharters@henleybankhighschool.co.uk
