

Science homework for year 10 at Henley Bank

- homework is set at 3 pm on Mondays
- it is due in by 8 am the following Monday
- should take around 1 hour to complete

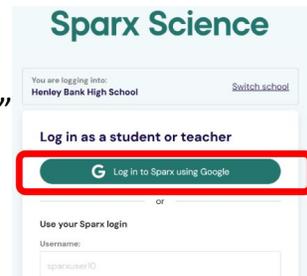

How to log in:

- Click on the link that your teacher has put on Google Classroom for you or type in sparxscience.com on your web browser.

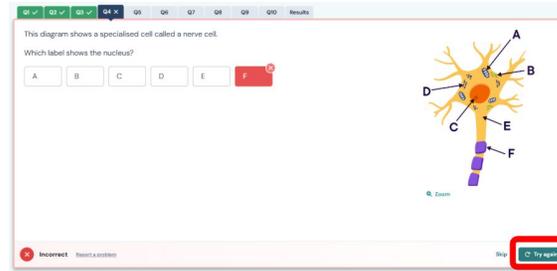

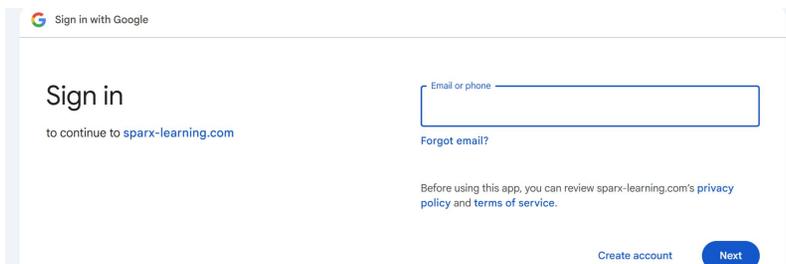

- Start typing in Henley Bank to select your school.

- Click on the “Log in to Sparx using Google” button.

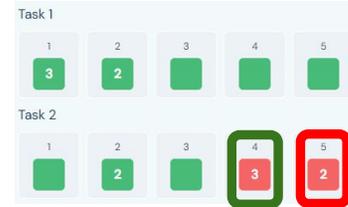

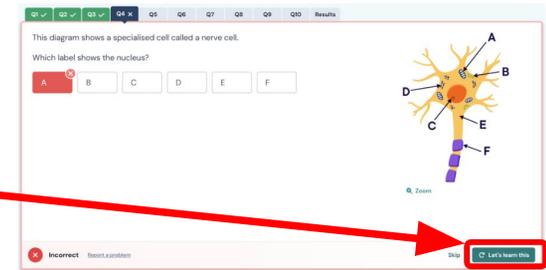

- If you aren't already logged in to your school Google account, you will need to enter your school email address and password to log in.

If you get a question wrong - try again!

If you get it wrong a 2nd time - Sparx will help you to learn it.

Try AT LEAST 3 times to get each question correct.

73% 0h 25m ← Incomplete homework.
