Dear Year 13 Parents and Carers,

### **Upcoming Pre-Public Examinations (PPEs)**

First, a massive well done to all of our Year 13 students for the incredible amount of hard work and commitment they have shown so far, this academic year. The progress they are making is fantastic, and we are so proud of their efforts as they move closer to their final exams.

We are writing to you today to inform you about the upcoming Pre-Public Examinations (PPEs) for Year 13. These will be running from Monday 3rd November until Friday 14th November.

This is an essential opportunity for students to improve on their summer grades and demonstrate the significant progress they have made in their subjects. It is a vital step in their preparation for the final summer examinations.

Students should speak directly to their subject teachers before half term to get specific information on the papers they will be sitting, if they are unsure.

Crucially, dedicated revision over the next two weeks, in addition to the independent study set by their teachers, will be key to their success in these PPEs. We strongly encourage them to start or continue their revision planning from today!

To support their preparation, please remind your child that the school is accessible for revision until 5:00PM Monday, Wednesday and Thursday and until 4:00 PM on Tuesdays. This provides a quiet, focused space for study outside of lesson time.

We wish all our students the very best of luck with their PPEs and will continue to support them every step of the way.

Yours sincerely,

Mr Derbyshire
