

Good Afternoon everyone,

Are you ready for Winter HAF?

The Holiday Activity and Food programme (HAF) returns this winter with lots of fun activities and delicious food available for children and families from **20th December to 4th January**.

HAF activities are available for children and young people who receive benefits-related free school meals. This winter we are also able to extend this offer to any child who may benefit from attending the programme, through our grant funded Holiday Activities Programme (HAP).

Bookings open from midday on 1st December however we are continuing to allow bookings through our soft launch for families that may be receiving a little more support through TAF, CIN, CP etc. Through the soft launch parents who have had a referral made can access the booking system from the **17th November** through myself.

For Soft launch referrals please click the link which will direct straight to me

For booking from the 1st December please make sure you're ready to book by checking your account now-visit the [Family Hub website and booking system here](#). Use our handy checklist below to make sure that:

- All your children have an individual profile added to your account.
- Emergency contact details are filled in for each child profile
- Any additional needs or disability information is included for each child profile
- Your details reflect any recent changes (e.g., new address, phone contact details)

Keeping your profiles up to date helps ensure smooth bookings and the best support for your child. A complete and up to date profile means:

- Faster bookings
- Better support for your children
- Fewer delays or issues during HAF sessions

Kind regards,

Sharon Houlton
