

7th January 2026

Dear Parents and Carers,

Re: Year 9 Mid-Year Assessments

It is great to see students back in school working hard for their upcoming assessments. These assessments will take place in class and will be based on the curriculum they have studied so far this year.

The purpose of these assessments is to support teachers, students, parents and carers in understanding where students are in each of their subjects and how to continue to improve. The assessments will also help us in informing class sets in English, Mathematics, Science and languages.

All students have received knowledge organisers and quiz booklets which cover the key subject content that they will be assessed on and are a fantastic tool in supporting students to revise. Students have been taught the best revision strategies in their weekly DEEP sessions and they should be revising by self-quizzing, either using their quiz book or by making flashcards of the key information.

If students misplace their copy of the knowledge organisers, they will be able to ask their Head of Year for a new one or access them [here](#).

The dates for the assessments are included with this letter. The majority of assessments will run between Monday 19th January and Friday 6th February.

If you do have any questions or queries about the assessments then please contact:

admin@henleybankhighschool.co.uk

Many thanks for your continued support.

Yours Faithfully

Mr J Watson
Assistant Headteacher
