

11th February 2026

Dear Parents and Carers,

Even through the depth of this January term, the classrooms, corridors and halls of Henley Bank have been buzzing with excitement after school, as students took advantage of our varied club offer.

Badminton club stood focused as our Year 12 coaches modelled serves and backhands, before putting it into practice, the EcoCouncil are on a mission to reduce the school's energy output, telling teachers off for leaving lights and screens on, and the Dungeon & Dragons club have begun their quest into the underworld, again supported by our extra keen Year 12's and Year 13's.

We will be running the same club offer after half-term. Clubs run 3-4pm, Monday, Wednesday and Thursday.

They are a great way for our students to try out new activities, discover things they are passionate about outside of the classroom, and meet students from across the school with similar interests, making new friendships along the way.

If your child would like to join one, please sign them up on the MCAS app. If it is full, please get in touch and we will add them to a waiting list.

After half-term, there are 3 new clubs taking place. These include:

- Shakespeare By Heart - Run by former actor and Bardolator - Mr Halliday
- 3D Printing Club - Only their imagination can hold their creations back
- Girls 'kick about' Football - Open to Year 9 & 10's

In addition, we will continue with the following:

Monday:

Boys 'Kick about' Football Year 9 & 10
Girls 'Kick about' Football Year 9 & 10
Maths Homework Club
Year 7 & 8 Netball
Chess Club
Jazz Band
Eco Council
Podcast club
Creative writing
Dungeons and Dragons Club

Stephen Derry, Headteacher
