# WHY DO CLUBS?

Clubs allow you to try out new activities, make new friends and find new passions. For many adults, the clubs they did at school still play a big part in their character today.

We want students to have as many experiences as they can while at school, so we have tapped into the interests of our teachers to offer a truly wide range of clubs this year, from academic, to sports, creativity to mindfulness.

*My passion for rugby started at secondary school. I was encouraged by my friends and PE teacher to attend and have never looked back. It kept me active, taught me team working skills and made me friends for life. I still play rugby to this day*

*Mr Dakin.*

## CLUBS AND OUR VALUES

Students at Henley Bank High School show **AMBITION** by: moving out of our comfort zone so that we give ourselves a better chance of success

Students at Henley Bank High School show **CONFIDENCE** by standing out from the crowd so that we can be who we are.

Students at Henley Bank High School show **CREATIVITY** by finding links between subjects and the world so that new knowledge is built on what we already know.

Students at Henley Bank High School show **DETERMINATION** by taking ownership of our learning so that we can take responsibility for our own progress

Students at Henley Bank High School show **RESPECT** by listening to different beliefs, cultures and opinions so that we can celebrate diversity

## How to use our Clubs Booklet

All of our clubs for the Summer Term are available for you to read about along with the details of who can join.

Students recently took part in a Clubs Fair Assembly for the Summer terms' clubs.

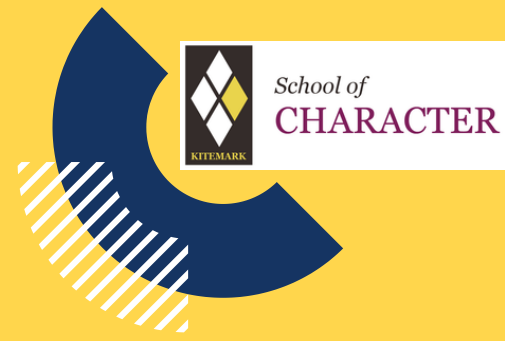

This booklet will give them a little bit more information.

# MONDAY CLUBS

Club	Description	Year Groups
Maths Homework Club	Homework has an important role in helping you learn and become your best self. If you want support with your weekly Maths homework, we are here to help.	ALL
Jazz Band	The Henley Bank Jazz Band is open to all levels of musicians. We will be learning a mixture of original and classic jazz pieces.	ALL

*I took part in all the sports I could at school. Mostly that was netball and athletics, but I also worked in the art block most evenings on different projects. I still have these interests now, and it definitely influenced me becoming a P.E teacher*  
*Mrs Cuke*

# WEDNESDAY CLUBS & Y7 ENRICHMENT

Club	Description	Year Club
Tennis Club	The countdown to Wimbledon has begun. Whether you have played before or never picked up a racket, you can get learn new skills and try one of the oldest games in the world.	Y7
Football Club	Boys and Girls teams. We will be training, building skills and playing games. This is for anyone who loves playing football, come rain or shine.	Y7
Rounders	Summer Term means - ROUNDERS. Like baseball but better. 2 teams. Lots of team encouragement and fun on sunny afternoons.	Y7

*I was part of an engineering club. We took a 2-stroke engine, built a buggy to race around the school*  
Mr Boyle

*My experiences of after school clubs have really shaped my whole life. It was there I found a passion for sport, and would join every club available. That passion grew into an ambition to give young people the same experience I had, getting into the amazing world of sport - which is why I went on to become a PE teacher.*

Mr Powell

# WEDNESDAY CLUBS & Y7 ENRICHMENT

Club	Description	Year Groups
HBHS Newsround	Give a Henley Bank take on the latest news stories from within our community and around the world. Report current affairs through a range of mediums, print, radio and TV, and we will promote it across our school channels.	Y7
Equestrian Club	If you are interested in all things horses, then come and join us for discussions, games, learning, equestrian arts and crafts, and meeting new friends who also enjoy all things equestrian! You don't need to own your own horse or pony - this club is for everyone - even if you've never ridden or been around horses before!	Y7
STEM Club	STEM club will give you the free range of the super lab, to get into all those experiment and equipment you always wanted to. Get answers to your scientific questions like what to take to survive on a desert island, and how to survive a zombie apocalypse.	Y7
Fitness Training Club	Stay strong, build strength, be fit, train, run, laugh, enjoy, smash through set goals. Be your best self!	Y7
Debate Club	A dynamic platform to sharpen student's public speaking and critical thinking skills. It provides a supportive environment for them to engage in structured arguments, research various topics, and learn to articulate their views persuasively.	Y7

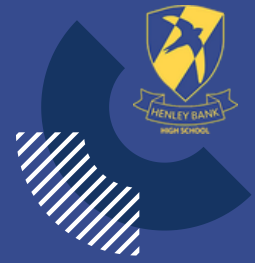

*I did fencing club and got to fight people with swords! In a safe and responsible way.*

# WEDNESDAY CLUBS & Y7 ENRICHMENT

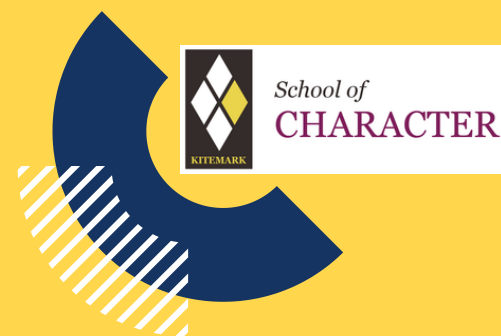

Club	Description	Year Group
