CLUBS BOOKLET

Autumn
2026

WHY DO CLUBS?

Clubs allow you to try out new activities, make new friends and find new passions. For many adults, the clubs they did at school still play a big part in their character today.

We want students to have as many experiences as they can while at school, so we have tapped into the interests of our teachers to offer a truly wide range of clubs this year, from academic, to sports, creativity to mindfulness.

My passion for rugby started at secondary school. I was encouraged by my friends and PE teacher to attend and have never looked back. It kept me active, taught me team working skills and made me friends for life. I still play rugby to this day

Mr Dakin.

CLUBS AND OUR VALUES

Students at Henley Bank High School show **AMBITION** by: moving out of our comfort zone so that we give ourselves a better chance of success

Students at Henley Bank High School show **CONFIDENCE** by standing out from the crowd so that we can be who we are.

Students at Henley Bank High School show **CREATIVITY** by finding links between subjects and the world so that new knowledge is built on what we already know.

Students at Henley Bank High School show **DETERMINATION** by taking ownership of our learning so that we can take responsibility for our own progress

Students at Henley Bank High School show **RESPECT** by listening to different beliefs, cultures and opinions so that we can celebrate diversity

How to use our Clubs Booklet

All of our clubs for the Autumn Term are available for you to read about along with the details of who can join.

The students will receive a Clubs Fair Assembly next week so this gives them a great opportunity to review what's on offer.

MONDAY CLUBS

Club	Description	Year Groups
Maths Homework Club	Homework has an important role in helping you learn and become your best self. If you want support with your weekly Maths homework, we are here to help.	ALL
Chess Club	New and experienced players welcome. Come and learn and play one of the oldest tactical games. Is this the start of your journey to Grandmaster?	ALL
Free Drawing a Crafts	Do you have inside you a vision of a beautiful project that must be released, or do you just want to doodle and draw. We have everything you need to make this a reality.	ALL
Production	Were you born to be on stage, or just want to give it a go. Auditions for this years production of Grease are open. The school production is a magical journey to be part of. Come get involved.	ALL
Set Design Club	The show can not go on without a fantastic set, transporting the audience to a new world. So put on an apron, pick up some tools and paint, and let's make this stage spectacular!	ALL
Indoor Cricket	It might be cold and wet outside, but cricket doesn't stop! We'll learn new skills and play indoor games this term until we're back on the Green this summer	ALL

I took part in all the sports I could at school. Mostly that was netball and athletics, but I also worked in the art block most evenings on different projects. I still have these interests now, and it definitely influenced me becoming a P.E teacher
Mrs Cuke

MONDAY CLUBS

Club	Description	Year Groups
WarHammer Club	Will you join the WarHammer Academy? This club will introduce to a whole new world of hero's, battles, campaigns and chance. Come and paint the figures, create new scenarios and play in the heat of the battle.	ALL
Maths Axiom Club	Invite only for those students who want more maths in their lives and share our passion for it.	Y7 , Y8, Y9
FameLab	Passionate about STEM? Share your amazing science discoveries with FameLab—the ultimate competition for science communicators.	Y9

I took part in all the sports I could at school. Mostly that was netball and athletics, but I also worked in the art block most evenings on different projects. I still have these interests now, and it definitely influenced me becoming a P.E teacher

WEDNESDAY CLUBS & Y7 / Y8 ENRICHMENT

Club	Description	Year Club
English HW Club	It can be hard to get homework done at home, so get it done at school. Teachers will be on hand to support you in a relaxed and studious environment.	ALL
Concert Band	Join the school's top band! Whatever your skill level or favorite genre, there's a place for you. We rehearse year-round leading up to a big performance at the Henley Music Festival.	ALL
EcoCouncil	You might feel too small to fix big environmental issues, but you can make a real impact. Join the Eco Council to team up with passionate students and create a greener future for our school and community!	ALL

I was part of an engineering club. We took a 2-stroke engine, built a buggy to race around the school
Mr Boyle

My experiences of after school clubs have really shaped my whole life. It was there I found a passion for sport, and would join every club available. That passion grew into an ambition to give young people the same experience I had, getting into the amazing world of sport - which is why I went on to become a PE teacher.

Mr Powell

WEDNESDAY CLUBS & Y7 / Y8 ENRICHMENT

Club	Description	Year Groups
STEM Club	STEM club will give you the free range of the super lab, to get into all those experiment and equipment you always wanted to. Get answers to your scientific questions like what to take to survive on a desert island, and how to survive a zombie apocalypse.	Y7, Y8
Debate Club	Sharpen your public speaking and critical thinking skills! Our dynamic platform provides a supportive space to research key issues, engage in structured debate, and articulate your views persuasively.	Y7, Y8
Football Club	Whatever your ability, whatever the weather, we will be getting together on the Astro to play some fun football together. Open to girls and boys.	Y7, Y8
Rugby Club	Rugby club will be taking to the field to ruck, scrum, tackle and try our way into Autumn.	Y7, Y8
Mixed Netball Club	A game of patience, endurance and skill. Come and have a go at Netball. Open to all	Y7, Y8

I did fencing club and got to fight people with swords! In a safe and responsible way.

Mr Halliday

WEDNESDAY CLUBS & Y7 / Y8 ENRICHMENT

Club	Description	Year Group
Model UN	Ever picture yourself as a world leader tackling global issues while protecting your nation's interests? Model UN is all about diplomacy, negotiation, and structured speaking.	Y7, Y8
E - Gaming Club	Gaming is life. Join gaming club to explore current and classic games, online, stand alone or with others.	Y7, Y8
Table Top Games Club	There is nothing better than staying warm inside with friends, playing tabletop games while the rain howls outside. Explore our huge collection of board games, trading cards, and game design kits today!	Y7, Y8
Free Drawing and Craft Club	Do you have a vision of a beautiful project inside that must be released, or you just want to doodle and draw. We have everything you need to make this a reality.	Y7 & Y8

THURSDAY CLUBS

School of
CHARACTER

Club	Description	Year Club
Science Homework Club	Do your homework with teachers to help you with those tricky questions. Get ahead of the week so you don't have to do it at home.	ALL
Creative Writing Club	Everyone has a story in them. Come practice your creative writing skills, listen to others stories and join in some great writing workshops with famous authors.	ALL
Volunteering club	Do you have a sense of wonder about the world, and want to make it better? Online volunteering lets you make a huge impact right from your keyboard. Search camera traps in Florida, count black holes from Webb Telescope images, or categorize endangered primate blood cells. Plus, it counts toward your Duke of Edinburgh Award!	ALL
£1 Meal Club	Come and learn to follow a recipe to cook a simple healthy meal for one on a budget of £1 or less, take home and enjoy the meal for tea or eat on the way home!	ALL

I was part of an engineering club. We took a 2-stroke engine, built a buggy to race around the school
Mr Boyle
