Behaviour Policy

Including Exclusions and Uniform

Approval and review:

This policy is the responsibility of: Headteacher

This policy was approved by the Local Governing Body on: 3rd December 2020

This policy is due for review by: Annually

HENLEY BANK HIGH SCHOOL is part of the Greenshaw Learning Trust. The Greenshaw Learning Trust is a charitable company limited by guarantee, registered in England & Wales, company number 7633634, registered at Greenshaw Learning Trust, Grennell Road, Sutton, SM1 3DY.

“No student has the right to intentionally disrupt the learning of others. All classrooms will be disruption free allowing teachers to teach and students to learn.”

Henley Bank High School

Behaviour Policy

This policy has been designed to ensure that all students are given the upmost opportunity to achieve their potential. Lessons will be disruption free 100% of the time allowing teachers to teach and students to learn.

Conduct in lessons

On a lesson by lesson basis, students will have one simple choice, to either be in class working hard and progressing with their learning or to be isolated from their peers for a period of one working day so that the learning of others is not disrupted.

- Arrive to lessons on time
- Line up quietly outside the classroom prior to the start of the lesson with learning equipment and planner already in hand
- Enter, stand silently behind their desks and be seated when invited to by the member of staff leading the lesson
- Sit/work silently whilst the register is taken
- Listen in silence when the member of staff leading the lesson speaks
- Raise their hand to ask a question without calling out
- Treat each other with respect at all times
- Follow all instructions the first time asked
- Work exceptionally hard to the best of their ability without disrupting any other student learning
- Students will not be given permission to access toilet facilities during any lesson (dispensations on medical grounds will be made on an individual needs basis)

If a student fails to meet any of these simple expectations their name will be written on the whiteboard by way of a formal warning and the member of staff leading the lesson will briefly explain to the student why their name has been written on the board. The second time during a lesson that a student fails to meet these expectations they will be sent to our Alternative Provision Centre (APC) for a period of one working day. Failure to arrive within 5 minutes of being sanctioned or refusal to go to the APC will result in a one day fixed term exclusion with the day in APC completed upon their re-admittance to the school.

If a student is sent to APC, the member of staff who sent the student out will meet with the student at the end of the day for a 'Restorative Conversation' where they will be made aware of what they did wrong, why it disrupted learning and what needs to be done differently next lesson. To allow this to take place students sent to APC will be required to remain in school until 4pm that day (*Unless bus- time is earlier*)

Conduct in school generally

All pupils are expected to take responsibility for their actions and their choices at all times. For a serious breach of our code of conduct a pupil will always be fixed term excluded if they:

- Swear at a member of staff (even under their breath)
- Defy a member of staff by walking off when being spoken to/reprimanded
- Refuse to follow instruction first time
- Physically attack another student
- Smoke on school premises

Mobile Communication Devices (Phones/Tablets/Headphones)

Mobile phone usage is banned from the School premises at all times. Students are permitted to keep them in their possession, but they must be switched off and kept out of sight at all times. Any mobile phone seen and/or heard at any time on the Academy site will be confiscated and parents/carers informed. The same rule applies for headphones.

- Responsibility for the safekeeping of the phone belongs to the student
- At all times, student mobile phones must be switched off during the Academy day (8am – 4pm)
- If a student refuses to hand their mobile phone or other device over when asked, they will be sent to APC for a period of one working day. Continued refusal to submit their phone whilst in APC will result in the student being excluded for a fixed period of time until parents/carers are met with by the relevant member of staff
- Refusal to go to APC will result in a one day fixed term exclusion with the day in APC completed upon their re-admittance to the school

Concentration aids

Please note that “Fidget Spinners” and other similar items are not allowed on the school premises and will be confiscated on sight. Alternative concentration support methods must be discussed with our dedicated SEN team.

Smoking

No student will smoke on the Henley Bank High School grounds or when dressed in the uniform of our school. If a student smokes or chooses to associate with smokers the consequences will be as outlined below:

- Smoking/associating with smokers will lead to a one day fixed term exclusion
- Refusal to hand over smoking paraphernalia when asked by the Head of School will lead to a five day fixed term exclusion
- All tobacco and related paraphernalia will be destroyed [*Note: ‘Smoking’ is defined to include any tobacco based products and also e-cigarettes and vaping products*]

If it is suspected that a student has smoking paraphernalia in their possession two members of staff will conduct a search. When available this will include the Headteacher and/or Deputy Head. The gender of the searchers will support that of the student being searched. If no consent to search is given the police may be called depending on the suspicion. Parents will be called to collect students immediately and an FTE of a duration will be given. FTE length pending investigation.

Henley Bank High School

Behaviour Policy

“Lines in the Sand”

There are some lines that we will not tolerate any students crossing. If they do, it is highly likely that they will be permanently excluded from our school. An indicative but non exhaustive list would include:

- Swearing at the Headteacher
- Bringing recreational drugs into school
- A weapon of any sort including pen knives and BB guns
- Persistent bullying
- Persistent disruption of lessons
- Persistent defiance
- A physical assault of a member of staff

Behaviour in corridors and around the site.

During transitions between lessons (going from one lesson to another) students will act appropriately. Students will not run through the corridors or loitering in corridors. To avoid congestion, we say to all students ***‘Keep LEFT, Keep Going, Get There’***

It is essential that all students are aware of the time and the need to arrive promptly to every lesson to avoid any consequence.

During social times students are expected to do the following:

- To sit/stand with their friends before school, break, lunch and after school in the designated duty areas of the school. (The main playground, the quad, the canteen, the east field, weather permitting or the Library for quiet study)
- Food is to be eaten in the designated areas only; such as the canteen
- Students are not permitted to be inside the buildings during break times – arrangements will be made for wet weather

The Journey to and from Home:

Students are expected to demonstrate a high standard of conduct on the journey to and from school as each person is an ambassador for our new school in the community. Students are expected:

- To arrive at school and leave school in full uniform (students are not permitted to wear hooded sweatshirts at any time on the premises – such items will be confiscated on sight)
- To use the traffic lights crossings where possible to cross the road safely
- To use the cycle lanes/pedestrian zones safely (following the highway code of conduct at all times)
- To take any litter home and dispose of it properly
- To respect our neighbours and all local residents

Henley Bank High School

Behaviour Policy

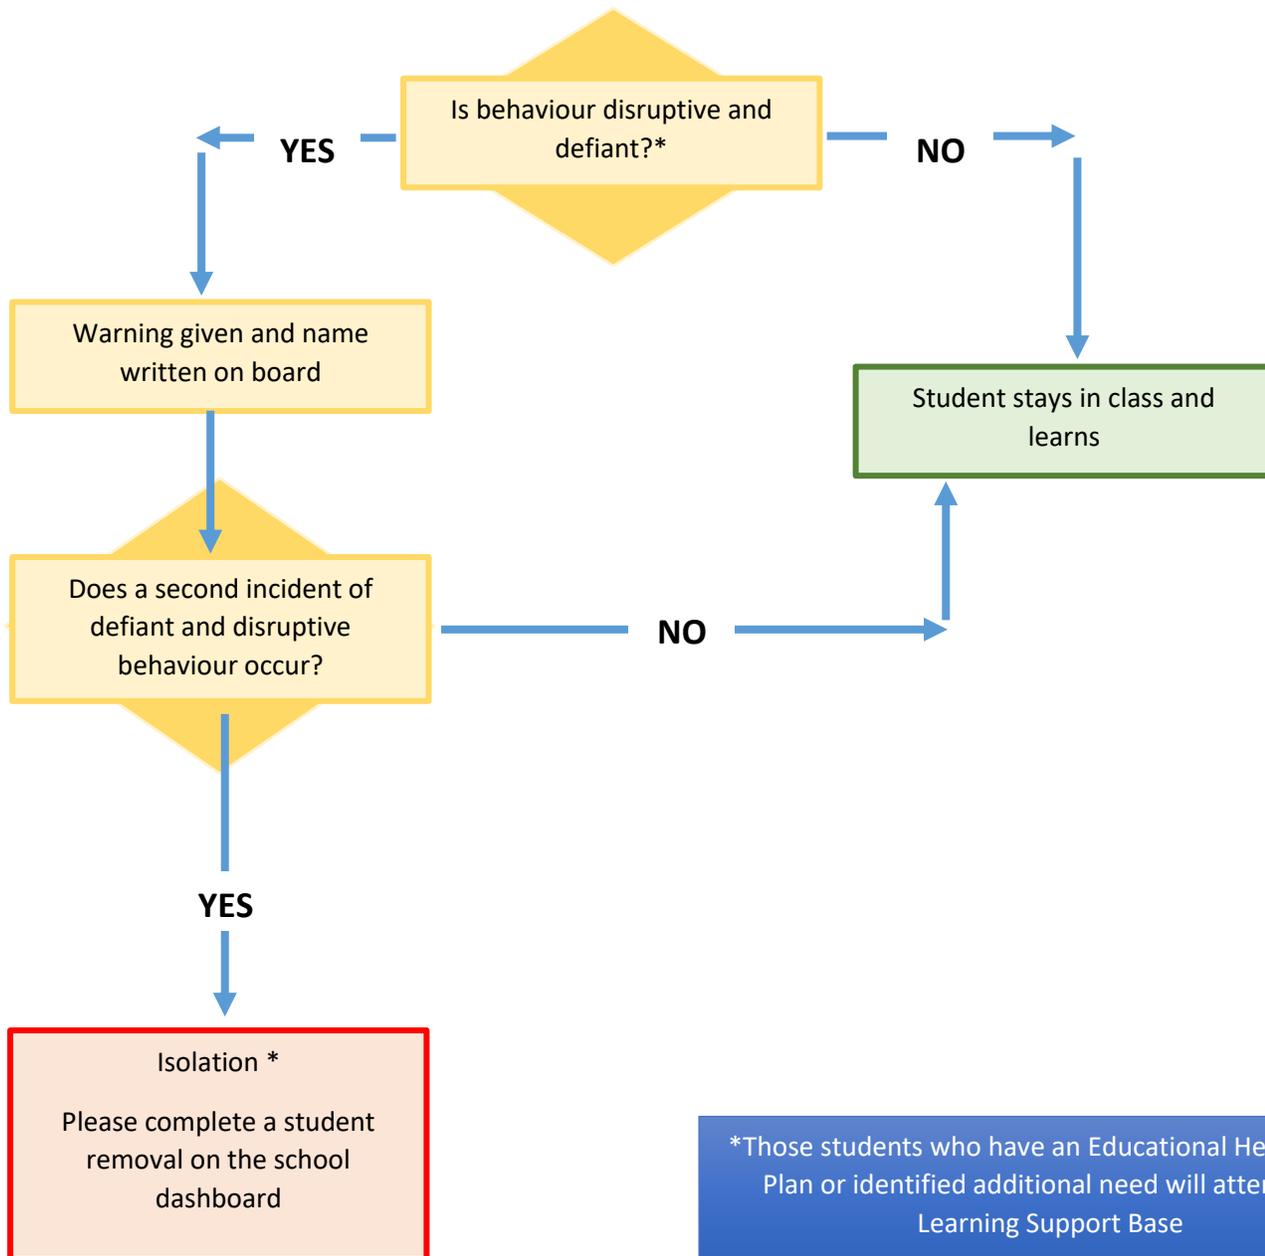

Students who have an Educational Health Care Plan or an identified additional need (s) will also be expected to follow the behaviour policy however, reasonable adjustments will be made for some individuals.

Advice from the schools Special Educational Needs and Disabilities (SEND) Department and from external agencies when appropriate will be taken and communicated to all staff. Alternative strategies will be employed as agreed with all stakeholders at regular SEND review meetings of the Individual Support Plan (ISP).

Staff can refer to the SEND register and individual support plans (ISP) for further information. Some students may need a differentiated approach in order to break down their individual barrier to learning and understanding. Further guidance is available from the SEND Team or SEND Coordinator.

Henley Bank High School

Behaviour Policy

What Happens next?

There are a number of things that will happen once a student has been sent to the Alternative Provision Centre (APC). The following is a simplified version of the new binary behaviour process:

1. The student arrives at APC:
 - The student hands over their mobile phone.
 - The student completes a reflection sheet.
 - Once the reflective sheet is completed the student is then given additional work to complete.
 - At the end of the day the student is expected to engage in a restorative conversation with the teacher (see p.13).
 - The student remains in APC the next day until the time they were sent out of lessons (e.g. sent out lesson 3 remain isolated until the end of lesson 3 the following day).
 - APC finishes at 4pm
 - If the student does not engage with any of the above expectations they will be given a Fixed Term Exclusion (FTE). All FTEs must be followed by a meeting with the parent/carer prior to the student being readmitted into school. Students will rejoin mainstream lessons when they have successfully completed their APC.

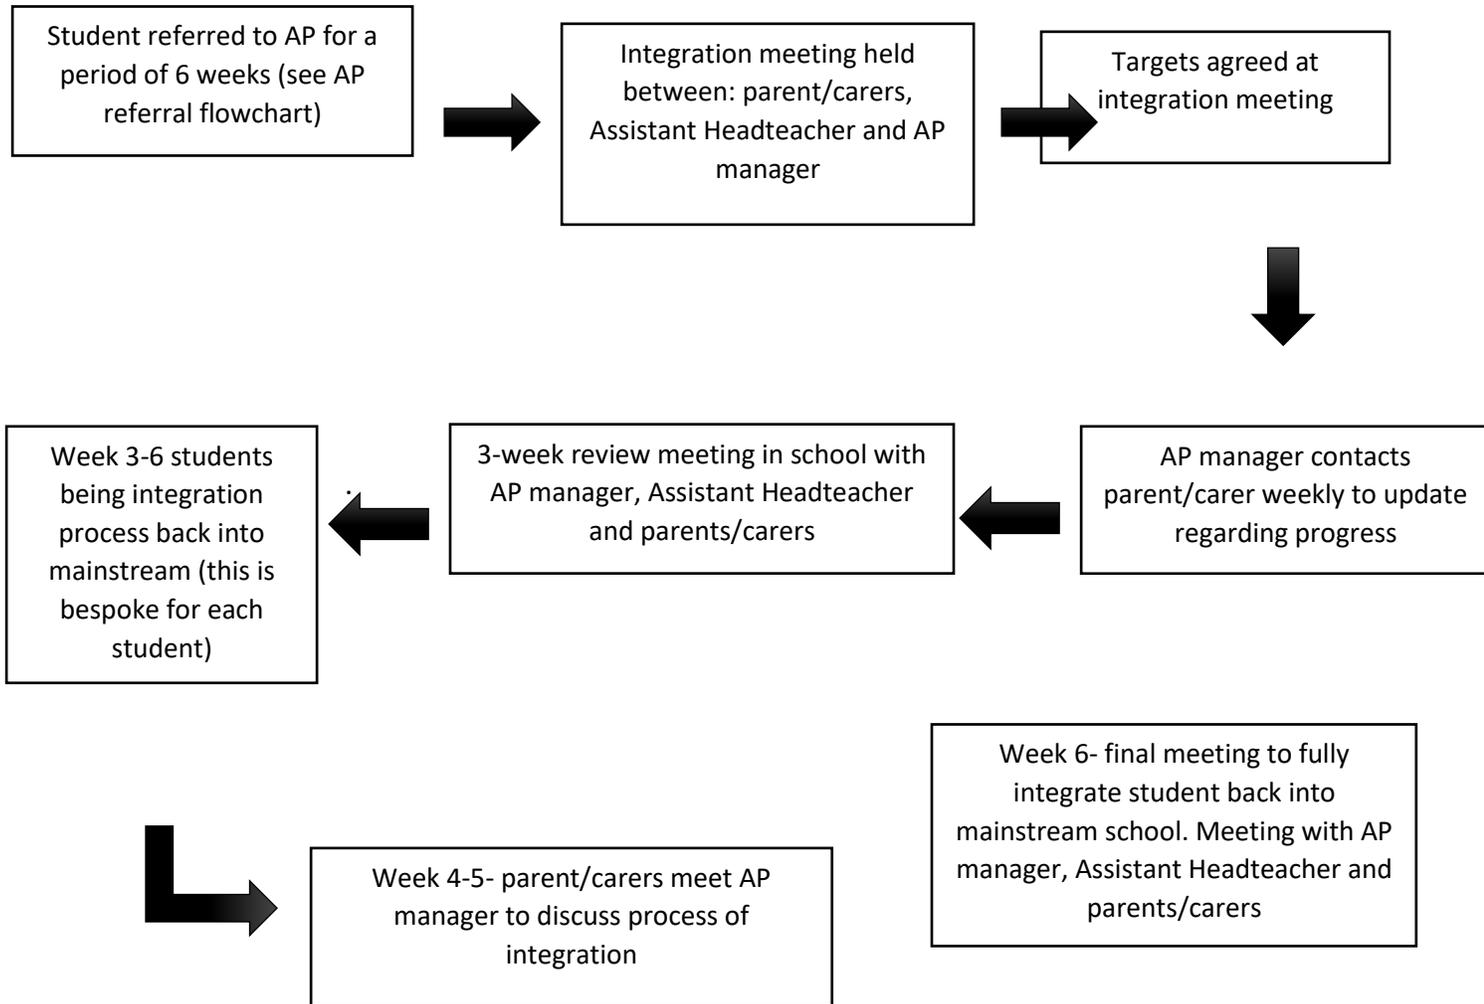

2. Parents will be contacted by the APC Manager to inform them their child has been isolated:
 - The APC will email the teacher concerned to remind them to attend the restorative conversation and contact home. (*Head of Year to be cc into e-mails*)
 - The teacher will have a restorative conversation with the student (see p.13).
 - The teacher will then contact home before the start of the next school day to explain/discuss the incident unless the student fails APC (see p.14)
 - Refer to FAQs for further information about this stage (see p.16).

3. If the student receives, **three Fixed Term Exclusions or five APCs** in one term they may be required to attend a period of time in the Alternate Learning Provision centre.
 - Parents will be required to meet with the ALP Manager and THE Assistant Headteacher and will be contacted each day with a progress update.
 - There will be a review half way through the students time in the ALP, which parents/carers are expected to attend.
 - At the end of the process students will be integrated back into mainstream lessons.

The Restorative Conversation

The restorative conversation is an opportunity to rebuild the relationship with the student that has been sent to APC. The conversation is not to be used as another telling off/administration of punishment - that has been done by sending the student to APC.

The conversation should:

- Help the student reflect on their behaviour.
- Move the student on from that behaviour.

Reflecting on what has been done:

Why do you think you were sent to APC?

What are you going to do differently next time?

Moving on from the behaviour incident:

Reinforce your expectations for behaviour in the lesson.

How could you improve next lesson?

Reinforce positive aspirations.

Provide support for positive behaviours.

Agree on a strategy to improve the student's behaviour in your lesson over the long term.

Agree on a change that may benefit the student (level of difficulty of work, place in the seating plan etc.)

Difficulties you may face:

Prepare for a difficult or challenging answer. A Child Protection issue may be a mitigating factor in the behaviour and you may need to raise this with the Child Protection Officer.

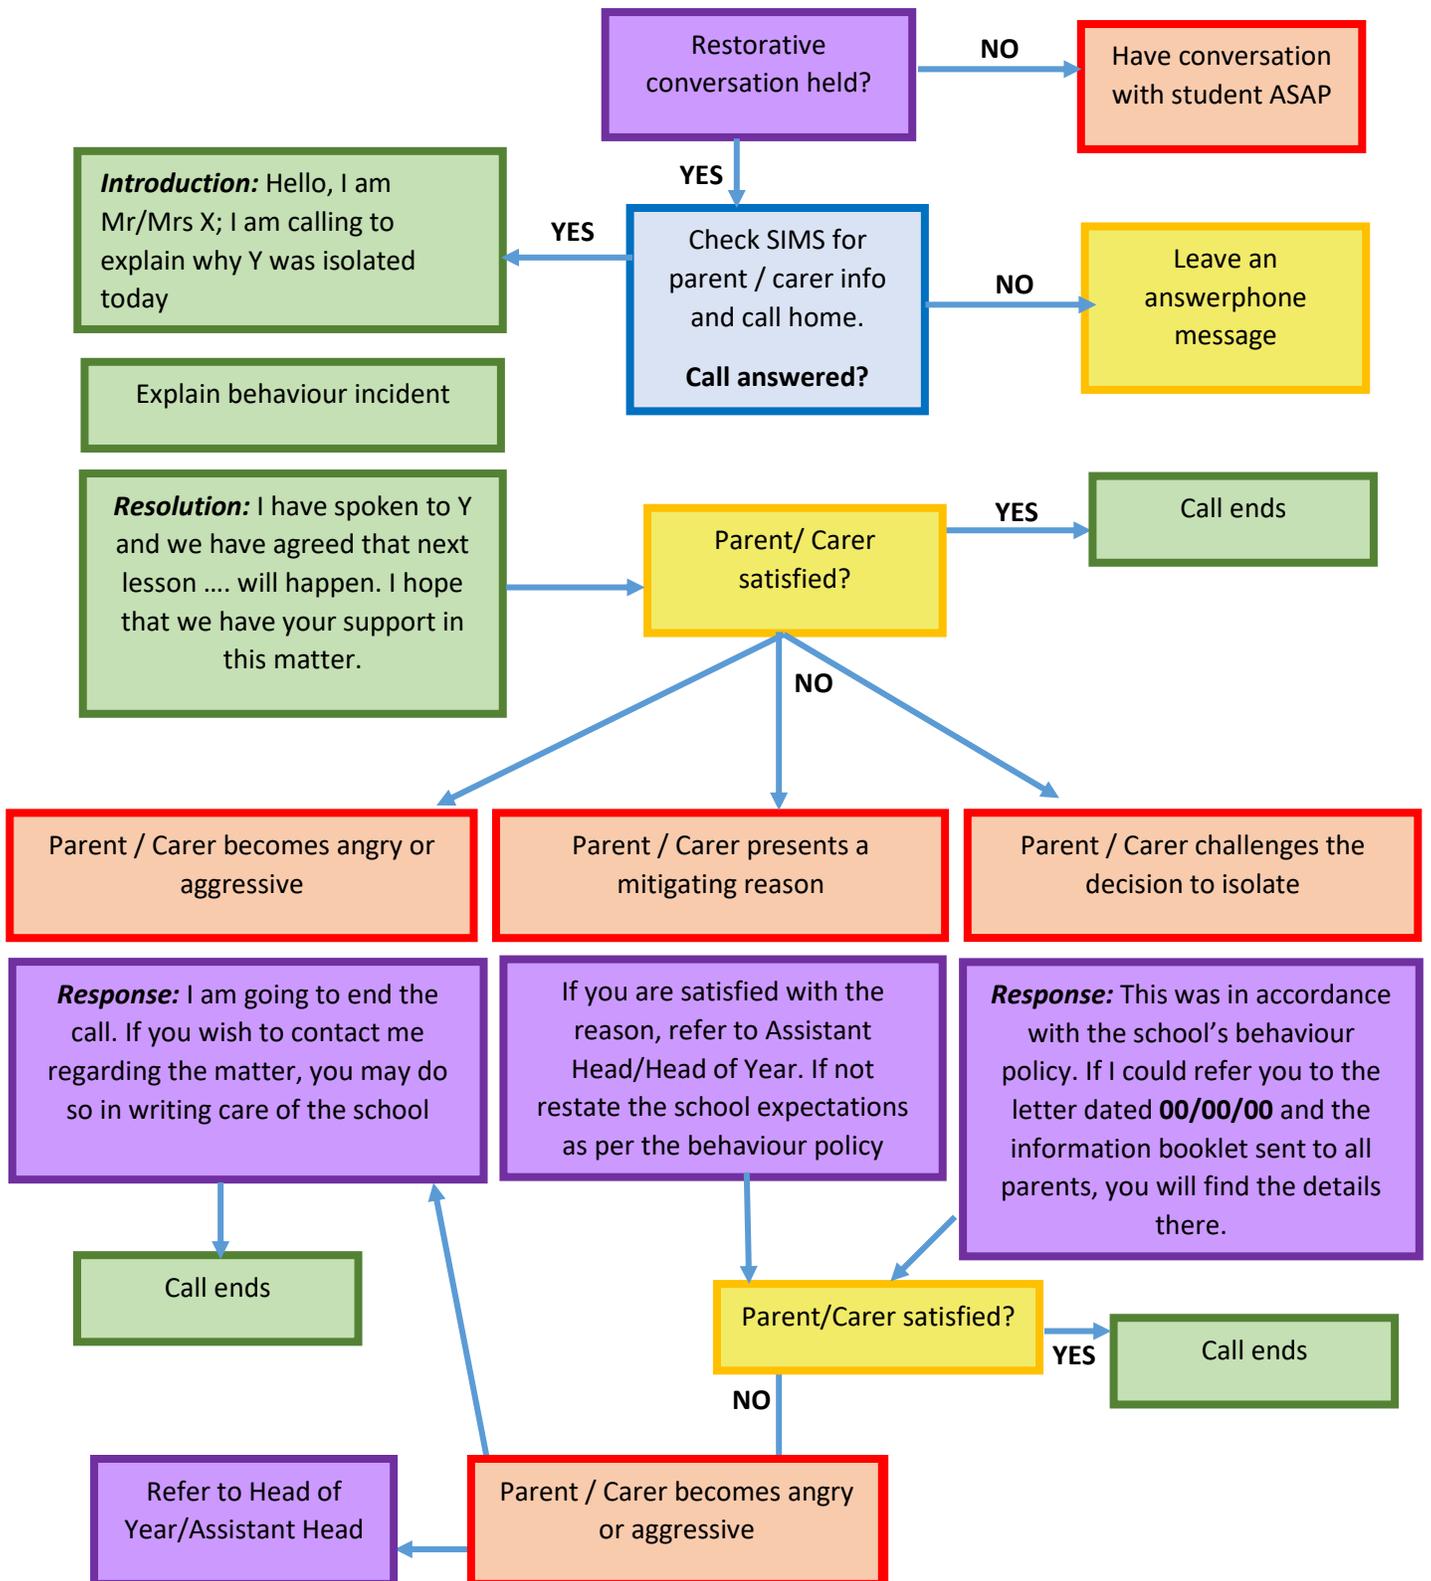

There may be another revelation that you may have to deal with.

Prepare to apologise. You may have missed something or sent the wrong student out.

An apology can be a vital tool for building a strong relationship in the classroom.

Behaviour FAQs

What does disruptive and defiant behaviour look like?

Disruptive behaviour is anything that stops or slows the momentum of the learning experience for students. Defiant behaviour is any time the student refuses, directly or indirectly, to follow your instructions. Behaviours may include:

Calling out	Lack of work	Using a mobile phone
Off task chatter	Lack of immediate cooperation	Non completion of work
Talking over teacher	Lateness	Damaging equipment/ property
Distracting others	Poor choice of language	Name calling
Bickering	Chewing/eating in class	Headphones in or on display

Students who have an Educational Health Care Plan or an identified additional need (s) will also be expected to follow the behaviour policy.

However, reasonable adjustments will be made for some individuals. Advice from the schools Special Educational Needs department and from external agencies when appropriate will be taken and communicated to all staff. Alternative strategies will be employed as agreed with all stakeholders at regular SEND review meetings of the Individual Support Plan (ISP).

Staff can refer to the SEND register and individual support plans (ISP) for further information. Some students may need a differentiated approach in order to break down their individual barrier to learning and understanding. Further guidance is available from the ISP, SEND Team or SENDCo.

What happens if.....?

I can't get in touch with home? (Incorrect contact details)

- Admin staff will be updating contact details termly. If these are not accurate when you do try to contact home, record the attempt to contact home and inform admin that the details are incorrect. Then, a) leave a voice mail or b) ask student services to send a text message

I have an after school duty and can't make it to the restorative conversation?

- Students will be required to stay in school until 4pm on the day they have been sent to the APC. If this is not enough time, you may need to see the student during break, lunch or a free period.

A student persists with negative behaviour in my classroom?

- If you have been following the binary system, then the student will be picked up by the APC for a three-day referral. If it still continues there will be a longer time spent in the APC and you may wish to speak to your Subject Lead or the Assistant Headteacher

A student leaves my class, but does not arrive at the APC Room?

- The student has five minutes to reach the APC Room. If they do not arrive in this time they will receive a Fixed Term Exclusion.

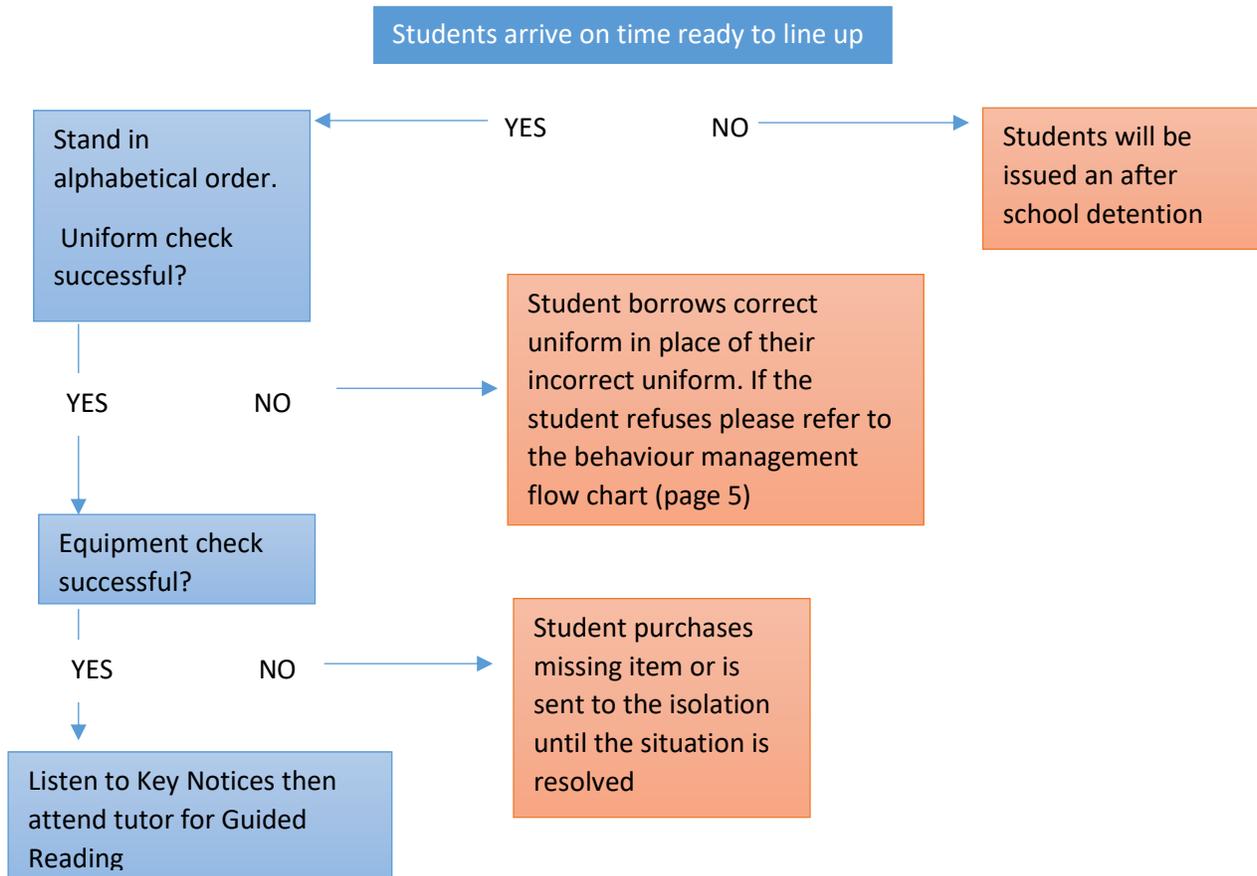

I don't send many students to the APC Room?

- If it is because you employ a wide range of behaviour management strategies and have strong relationships with your students then nothing will happen. You may be asked to be your faculty's Behaviour Champion or you may be asked to mentor someone that is having difficulty with behaviour and model the systems you have in place.
- If it is because you are not using the binary system fully, in order that it doesn't appear that you are having trouble, don't worry. The system is there to be used and you will not be judged for sending students to the APC Room. It is better to use the system and be consistent to support your colleagues (and get support) than it is to avoid a problem.

Morning Line-Up Procedures:

To start each school day well is essential. Students are expected to be in school by 08:30 each morning so that they are ready to begin the day. The first morning bell will sound at 08:35 which allows all students have get to their line up stations by **08:38**. Please see the flow chart below for the sequence of events:

Henley Bank Detention System:

Why?

We set homework to ensure that the learning that has occurred in the classroom can be consolidated at home. Our knowledge of schema and long-term memory means that students need to revisit material a number of times to ensure that it is transferred from their working memory into their long-term memory.

For all students the uniform is:

- A school blazer and school tie
 - Plain white work-style shirt or blouse – long- or short-sleeved to be tucked in at all times
 - Either tailored black trousers, or the school skirt (only the skirt approved by the school and provided by our uniform supplier). Trousers should be completely (no large decorative buttons or zips) plain black and tailored. No “fashion” extremes will be tolerated (tight, skinny fit, stretchy, low rise, chinos, jeans, drainpipe, Miss Sixty, linen, leggings or cropped) Trousers should sit comfortably over the laces and not pulled down over them
 - Formal and professional plain black shoes – these should be of a material that can be polished. No canvas shoes, suede shoes, trainers or military style / doctor martin boots
 - A v-necked jumper can be purchased from our uniform suppliers. This is optional and can be worn under the blazer, but not instead of a blazer
 - Socks must be plain black
 - Tights (no leggings) should be plain black and not patterned. White socks over tights are not permitted
 - During cold/wet weather, students are encouraged to wear an outside, waterproof coat for the journey to and from school and during break time and lunchtime. Please note that denim / leather jackets and hoodies are NOT permitted and such items will be confiscated on site
 - Uniform will be worn correctly at all times
 - Shirts will be tucked in at all times
 - Blazer sleeves will be worn down and not rolled up
 - Skirts will be worn to a length of 2 inches above the knee or longer and will be academy only
 - Jackets will not be worn indoors and must be removed before lineups
- In cases where medical reasons require a modification to the uniform policy, notice on letter headed paper from a medical professional must be addressed to the Head detailing the reason and may still be refused.
- Notes from parents will not be accepted for missing/forgotten items of uniform or medical dispensations

Please note: Please refer to the uniform guidelines sent out to all parents/carers.

Uniform can be purchased from the *Trutex Shop in Gloucester*

(The school does have a selection of brand new trousers and shoes which are all of good quality and will be lent to students if they have incorrect uniform)

To ensure that high standards of uniform are maintained and that the correct uniform is being worn in the correct manner at all times, morning line up will consist of a thorough check of personal appearance. In cases where personal appearance and uniform fails to adhere with the guidelines detailed, students will be sent to the APC until the matter is resolved in full. Prohibited items of clothing will be confiscated on sight. Refusal to remove prohibited items will result in a fixed term exclusion.

Male and female students with long hair must tie it back for PE, Technology and Science lessons. Students will remain in the APC until any prohibited hair styles are returned to acceptable styles. For health and safety reasons, aerosols (including but not limited to deodorants, hairsprays, body sprays and aftershaves) are not to be used in school.

EXCLUSIONS

At Henley Bank High School we believe that Learning is the most important reason for being in school and that opportunity to Learn must be protected at all times. An exclusion from school may therefore be necessary in order to protect the learning opportunity of others. Any decision to exclude for either a fixed-term or in rare cases, permanently, is not taken lightly. **Reasonable adjustments are considered before a Child In Care or a child with an EHCP receives an exclusion. The DSL / Designated Teacher is consulted and their advice sought before a decision is taken.** The following offers a more detailed outline of how the process works:

SECTIONS:

1. Guidance framework
2. Links to other policies
3. Principles
4. The decision to exclude
5. Fixed-term exclusion
6. Permanent exclusion
7. Appeals
8. Informing parents / carers
9. Internal procedures

Section 1 – Guidance Framework

1a) The Henley Bank High School policy is written in line with the DFE Guidance on Exclusions.

Section 2 – Related Policies

2a) This policy for exclusions should be considered within the context of this Behaviour Policy. Other Policies to be considered: Anti-Bullying, Safeguarding, SEND.

Section 3 – Principles

3a) The School is a learning institution which aims to provide life chances for all of its students. We view exclusion as a last resort when all other possible methods of managing student behaviour have been exhausted. The decision to exclude is never taken lightly and careful consideration is taken of the facts and the surrounding circumstances before reaching a decision to exclude.

3b) We recognise the detrimental impact of exclusion on both the education and well-being of students and their families. We also recognise the impact of social exclusion, which can result from the permanent exclusion of a student and will try hard to avoid it.

3c) Permanent exclusion is an extremely serious step to take and has a significant impact on the ability of a student to access education in the future. It is only used where it is unavoidable and where every possible appropriate alternative has been considered. We are committed to using alternatives to permanent exclusion such as managed moves and alternative provision where appropriate.

3d) We take account of the Equality Act and of our duty not to discriminate against students for any reason.

3e) We also take account of our statutory duties in relation to SEND / CIC

3f) We aim to involve parents as early as possible in any process.

Section 4 – The decision to exclude

4a) The decision to exclude is made solely by the Headteacher, or the Assistant Headteacher in his absence.

4b) There are five circumstances where a student may be required to leave the School site with the authorisation of the Headteacher:

- 1) Where a decision has been made to exclude
- 2) Where a student has committed a serious criminal offence outside the jurisdiction of the School and it is determined by the Head of School that it is in the interests of the community for the student to be educated offsite. This is not an exclusion.
- 3) Where, for medical reasons, the presence of a student represents a serious risk to the health or safety of other students or staff. This is not an exclusion.
- 4) If a student is given permission by the Headteacher to leave the premises briefly to remedy a breach of the School rules on appearance or uniform. This should be for no longer than is necessary to remedy the breach and is not an exclusion but an authorised absence.

Henley Bank High School

Behaviour Policy

- 5) Where there is good reason to believe that a student is carrying an item which is not allowed onto the site such as an illegal substance or an offensive weapon and they refuse to be screened. In this circumstance the student can be refused entry. This is not an exclusion but an unauthorised absence in the first instance but could lead to exclusion following a full investigation.

4c) The decision to exclude a student is not taken lightly and the Headteacher will:

- Ensure that a thorough investigation has been carried out
- Consider all the evidence available to support the allegations
- Allow and encourage the student to give their version of events
- Keep a written record of the actions taken including the signed statements of witnesses
- Be confident that the procedures detailed later in this policy have been carried out
- Ensure S.E.N. expert advice has been taken into account where appropriate.
- Ensure that parents have been kept informed throughout the process and consulted where appropriate.

4d) The burden of proof applied when deciding to exclude is done on the 'balance of probabilities'. This is where the evidence goes 'beyond reasonable doubt' that something happened. The more serious the allegation, the more convincing the evidence substantiating the allegation needs to be.

4e) Exclusion will not be used as a consequence for the following:

- 1) Minor incidents such as a failure to complete homework
- 2) Poor academic performance
- 3) Lateness or truancy
- 4) Breaches of school rules on uniform or appearance except where these are persistent or in open defiance of such rules
- 5) Pregnancy
- 6) As a punishment for the behaviour of their parent / carer

4f) Once the decision has been made to exclude, a student will only be sent home once contact has been made with parents/carers and where it is clear that the student will be returning to a place of safety. Work will be provided and either sent with the student or arrangements made for collection.

Section 5 - Fixed-term Exclusion

(Level 1: fewer than 15 school days in any term/ level 2: 15 school days or more during any term)

5a) The decision to exclude a student for a fixed-term may be taken in response to breaches of the school's behaviour for learning policy

5b) Examples of behaviour that **may** lead to a fixed-term exclusion include the following:

- Verbal abuse of staff or students
- Physical abuse of staff or students
- Indecent behaviour
- Damage to property

Henley Bank High School

Behaviour Policy

- Misuse of illegal drugs or other substances
- Theft
- Serious actual or threatened violence against another student or a member of staff
- Sexual abuse or assault
- Carrying and / or supplying an illegal substance
- Arson
- Persistent poor behaviour contrary to acceptable behaviour outlined in the School's expectations in 2.
- Bullying, including cyber-bullying

(Any of the above could result in a permanent exclusion dependent on the severity of the incident)

This is not an exhaustive list and there may be other examples of behaviour where the Headteacher judges that exclusion is an appropriate sanction. Where a student is suspected of carrying an offensive weapon or misusing / carrying / supplying an illegal substance or being part of a group involved in such activity but the evidence is not sufficient they will be given the benefit of the doubt on the first occasion. If there is a repeat of such concern they will run the risk of exclusion.

5c) The Headteacher may exclude a student for one or more fixed periods which do not exceed a total of 45 school days in any one school year.

5d) During a fixed term exclusion of 5 or fewer days, work will be set by the School for the student to complete at home. This will include online work such as Hegarty Maths, Bedrock and Educake.

5e) For an exclusion of longer than 5 days, the School will arrange fulltime educational provision from the sixth day of exclusion.

6f) Before the end of any fixed-term exclusion, parents / carers will be invited to attend a reintegration/re-admittance meeting at the school with their son/daughter in full school uniform. The purpose of the meeting is to ensure that the student understands the reason for the exclusion and is committed to preventing the behaviour that led to the exclusion from being repeated. The School will consider all further support needed to help the student, including referral to external agencies if appropriate. The student will also spend a period of time on report to support their reintegration.

6g) During the first five days of any exclusion, the parents of an excluded student must ensure that they are not present in a public place during normal school hours without reasonable justification, whether with or without a parent / carer. Failure to comply with this is an offence for which a fixed penalty notice can be issued.

6h) Whilst each exclusion is treated on its own merit we do operate a tariff for exclusions in most cases. A first exclusion is likely to be for a period of 1 or 2 days. The number of days will increase if a student receives further exclusions. Once a student has received four exclusions the length of the exclusion is likely to be for 4 days and the re-instatement meeting will be with the Assistant Head. Such a student is deemed to be in serious danger of permanent exclusion. A fifth exclusion would normally be for a period of 5 days and would bring with it a final warning from the Headteacher who will lead the reintegration meeting. This means that a further exclusion would be permanent. There are of course exceptions to this process depending on the nature and seriousness of the incident for which the student is being excluded.

Section 6 – Permanent Exclusion (Level 3 Exclusion)

6a) Permanent exclusion is an extremely rare sanction at the School and always avoided wherever possible. The decision to permanently exclude is taken only:

- (1) in response to serious breaches of the School’s behaviour policy and
- (2) if allowing the student to remain would seriously harm the education or welfare of that student or others at the School.

6b) A student may be permanently excluded where there have been repeated breaches of the behaviour for learning policy for which a range of consequences and strategies have been applied without success. It is an acknowledgement that the Academy has exhausted all available strategies for dealing with the student and is a last resort.

6c) There may be exceptional circumstances where, in the judgement of the Headteacher it is appropriate to permanently exclude a student for a first or ‘one off’ offence. These might include:

- a) Serious actual or threatened violence against another student or member of staff
- b) Sexual abuse or assault
- c) Serious bullying including cyber-bullying
- d) Being in possession of an illegal substance and / or supplying an illegal substance
- e) Carrying an offensive weapon or a banned item

(*a weapon is defined as any item made or adapted to cause injury)

Again, this is not an exhaustive list and there may be other examples of behaviour where the Headteacher judges that a permanent exclusion is an appropriate sanction for a first or ‘one off’ offence.

6d) The School operates a ‘zero tolerance’ approach to the carrying of offensive weapons and the carrying and supplying of illegal substances. This is communicated clearly to students in assemblies and the Student Planner.

6e) Any student who brings an offensive weapon or a banned item onto site, or who brings and/or supplies an illegal substance on site will be permanently excluded. A student who is found in possession of these items on site also runs the risk of permanent exclusion.

The Headteacher will meet with the parents and student before reaching a decision to permanently exclude a student. Under normal circumstances, a student will be excluded for a fixed-term before the decision is made to permanently exclude.

Section 7 – Governors Behaviour Committee

Henley Bank High School

Behaviour Policy

7a) The Governors have the responsibility for reviewing decisions made in relation to exclusions. Level two or Level three exclusions will involve governors as part of the process. Level 1 exclusions will be monitored and reviewed throughout the year.

7b) The Behaviour Committee of the Governing Body will automatically review any exclusion which results in a student being excluded for more than 15 school days in any one term, or any permanent exclusion.

7c) Parents / carers have the right to appeal the decision to exclude their son / daughter. Full details of how these meetings operate can be found in the following appendices and also within the DfE Guidance (2012)

Level 1 Exclusion (Less than 15 days)

A parent / carer may request that the Behaviour Committee review the process within 50 school days of receiving notice of the exclusion. The request should be made in writing and should set out the question(s) which they wish the Behaviour Committee to consider. The committee will respond in writing within 15 school days.

Level 2 Exclusions (More than 15 days fixed term)

Headteacher meets with parents to discuss exclusion.

Behaviour committee meets to review on the exclusion within 15 days of receiving notice of the exclusion.

Level 3 Exclusion (Permanent)

An investigation will take place and then the student and their parents will be informed of the decision to permanently exclude. The student and their parents will be given an opportunity to meet with the investigating officer to give their version of events and to hear any evidence against them.

The investigating officer presents their findings to the Headteacher. The Headteacher meets with parents/carers to discuss his decision having completed the process fully and having consulted with others including an S.E.N. expert if appropriate. If the decision is to re-instate then the student will return immediately. If the decision is made to permanently exclude the student, parents / carers will be informed by the Headteacher both verbally and in writing.

Following the Headteacher's decision to permanently exclude, the Behaviour Committee meets to review the decision within 15 school days of receiving notice of the exclusion. If the Behaviour Committee upholds the Head of School's decision to permanently exclude, parents / carers may appeal to an Independent Review Panel. In addition, the Headteacher must consult with the Managing Director of The Greenshaw trust (or his/her nominated Deputy as delegated) before the decision is implemented.

7d) An Independent Review Panel will consist of 3 people and will be chaired by a lay member and two other independent members, one with governance experience; the other with Headship experience. This panel will decide whether to uphold the decision to exclude a student.

7e) The Independent Review Panel can either uphold the decision to exclude the student or recommend that the Academy reconsiders the matter. They cannot, however, direct the reinstatement of the student.

Section 8 – Informing Parents / Carers

8a) Following any decision to exclude, the Principal must inform parents / carers putting the decision to exclude in writing and stating the date the exclusion takes effect.

8b) The letter must explain:

- The circumstances leading up to the decision to exclude;
- Why the Headteacher decided to exclude the student and if relevant, what steps were taken to try and avoid the exclusion; details of any relevant previous warnings, fixed period exclusions or other disciplinary measures taken before the present incident;
- The arrangements for enabling the student to continue his/her education, including setting and marking the student's work;
- The parents' right to see and have a copy of their child's record;
- The parents' responsibilities to ensure their child is not in a public place in school hours during the first five days of an exclusion.
- If the exclusion is for a fixed period, the letter will also state the length of the exclusion and the date and time the student should return to the school and the arrangements for the re-admission interview at the end of the process so as to reintegrate the student.
- For Level 2 and Level 3 exclusions, the letter will also state the parents' right to appeal to the Independent Appeals Panel and the appropriate mechanism for that to happen as well as the fact that governors will meet to review the decision.
- For Level 1 exclusions, the letter will also state that if parents are concerned about the way in which the exclusion was managed, they may write to the Behaviour Committee to ask it to review the process. This may be done by just one member of the Committee. The Committee cannot overturn the decision to exclude but may put a note on file.
- The involvement, if appropriate, of S.E.N. expert advice.

Section 9 – Behaviour Outside the school gates
